GROWTH ABNORMAL!

Enrollment At Cambrian Mushrooms; School Calls For $56,000 Bond Issue

Growth enrollment from the years 1942-1949, just revealed by Principal D. M. Bagby, shows that Cambrian Elementary school has increased from 138 to 480 students in a seven year yeriod. This fact will be used to persuade voters of Cambrian to vote in the $56,000 bond issue called for in the May 31 election.

Polls will be open from 7 a.m. to 7 p.m. at the elementary school. Inspector Genevieve N. Helmbold will be in charge of the election board, assisted by Judges Eleanora H. Nelson and Wilma J. Weltz.

"Cambrian Elementary school has increased 58 per cent alone from the school year 1947-48 to 1948-9," said Bagby. "Because of this record pupil enrollment the school is far behind in the construction program."

If the $56,000 issue is passed by the voters the money will be used for additional construction in line with the present program. It will bring the district to its maximum bonding capacity for school construction and make the district eligible for further State aid.

'The Cambrian Elementary School district is one of the most rapidly growing areas in the Santa Clara valley," said Bagby. "Many subdivisions in the district are being completed and daily sending new students to the Cambrian school. On the opening day in September the school had 425 pupils. The enrollment during the year has swelled to 480. The increase is steadily making the accommodation problem difficult."

Makeshift classrooms number nine at the present time. These temporary rooms are classified as substandard and should be replaced, said the principal. Auditorium, cafeteria space, hallways, youth center and steel barracks buildings ordinarily used for storage rooms are not adequate, not constructed or designed for classrooms, he added, saying the disadvantages are poor light, hearing, ventilation and sound.

The new six classroom addition is about half completed at Cambrian. It is being financed under the State Impoverished School Construction Ace. When the new wing is completed the overcrowded conditions in the Scout hall, auditorium and hallways will be eased. However, the new fall enrollment and the abnormal growth of the district, plus the classes in the steel barracks buildings, will still make critical housing shortage for pupils in the school.

"In short, we need at least 18 classrooms for school opening in the fall," Bagby said. "After the new rooms are up we will have only eight standard classrooms. This leaves a total of 10 needed standard classrooms. If the old building is used, we are six short as the building houses four classrooms."

Two of the main organized groups of the Cambrian school district have endorsed the bond issue and promise their 100 per cent approval at the polls. They include the Cambrian Home and School club and the Cambrian Men's club.

Speaker Frank Cox To Relate Ideas

Frank Cox, formerly of the California State Board of Education and now connected with Kawneer Company of Oakland, will be the guest speaker at the May 25 meeting of the Chamber of Commerce in the library clubroom at 8 p.m.

"New Ideas in Store Fronts," will be the topic of Cox's speech. He will bring with him information and statitistics from all over the country.

"We are urging all commercial property members to be sure to attend this meeting," said Frank Accardi, Chamber of Commerce member, "as we will have information of vital interest to all."

BUC CINDERMEN WIN

The Buc cindermen took class A, B, and C divisions and lost only the D-division in the May 13 track meet against Gilroy on the local oval.

Ken Murakami won three events in the Class B division, taking the 100, 220 and the broad jump. Jack Slayton was a double winner in the Class A division, capturing the 100 and 220.

GRAMMAR SCHOOL BIDS TO BE OPENED MAY 25

Bids will be opened at the Campbell grammar school Wednesday, May 25, on the six classroom addition at the school. Already under construction are 12 classrooms at Moorpark and six classrooms at San Tomas schools.

Legion To Honor Soldiers Of All Wars Memorial Day

Soldiers of all wars will be recognized in the American Legion's observance of Memorial Day Monday, May 30, at 11 a.m. in the high school stadium, according to Col. James L. McBride of the program committee.

"No special emphasis will be laid on World War I and World War II, veterans which now make up the Legion membership," said McBride, "Instead we will honor the soldiers of all our wars so that an unforgettable picture of American history will be presented."

Alvin Wolf of the department of Public Speech at Campbell Union High school is directing high school girls in preparation for their part in the ceremonies. The Legionnaires will play the following parts in the ceremonies:

Al Carter, a soldier of the Revolution; Wallace Benish, the 1812 Regular; Norman Corvello, Mexican War Volunteer; L. N. Park, the Boy in Blue and Ron Boyle, the Boy in Butternut of Civil War days; Dr. John W. Ziegler, the Frontiersman; Jake Klassen, the Rough Rider of 1898; Fred Jones, the Man of 1918; Douglas Tennison, the soldier; Jack Chappell, the Marine, and Roy Zimmer, the sailor of the last war.

Under Commander Ed Lee's supervision the Firing Squad and Color Guard are rounding into shape. Comrade Rex Kaber prepared the frames for the wreaths that will be used by the Legion Auxiliary for the Memorial garlands, said Lee. Moffett Field is furnishing a speaker for a short Memorial address.

"It is hoped that the citizens of of Campbell will recognize this observance as their contribution to the patriotic meaning of Memorial Day," said McBride.

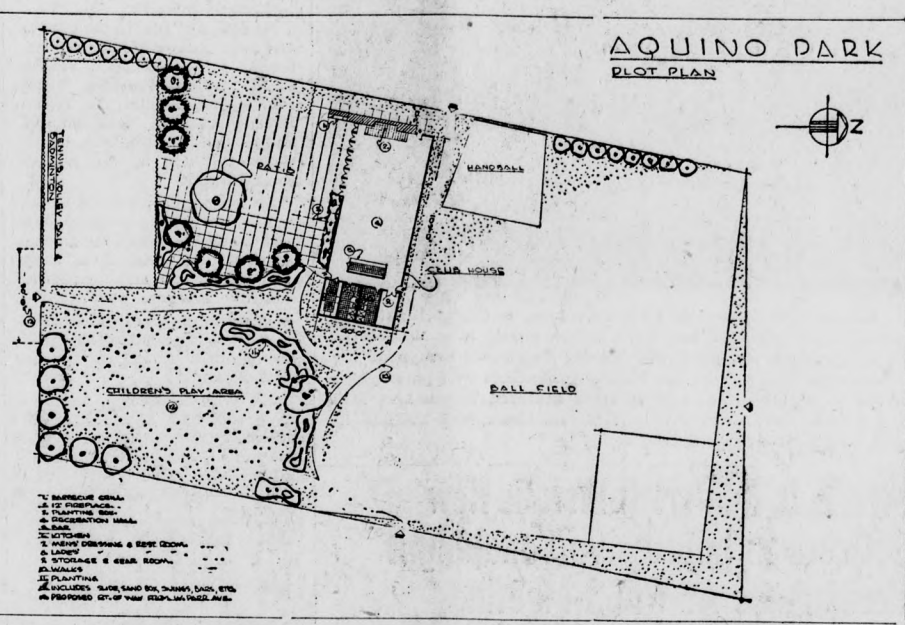
$50,000 Park Plans Ready



Valley Homes, Inc. To Build Aquino Park As Part of Million Dollar Development Started Three Years Ago

Aquino Park Recreation Center, a $50,000 addition to the million dollar Valley Homes subdivision on West Parr avenue, was announced this week by the board of directors of Valley Homes, Inc.

Del Lucot, president of the board of directors, announced plans for the entire project were completed last week witth construction of the large club house to have first priority. Installation of playground equipment for small children will be started at the same time, according to Lucot.

The 4200 foot club house is designed to accommodate from 250 to 300 persons. Of modern design the building will be finished in stucco and will include a 12-foot fireplace, large meeting hall for social events, rest rooms, athletic equipment room and kitchen. A series of entrance ways to the main hall open onto a large pation complete with barbecue grill and facilities for outdoor dinners.

Other recreational facilities in the park include a regulation size softball diamond, courts for tennis, volley ball, badminton and hand ball as well as the small childrens' play area. Future plans call for the addition of a 75-foot swimming pool to be located in the center of the club house patio.

Although not designed as a commercial project, facilities of the park will be available to clubs and organizations in the Campbell, Los Gatos and Saratoga areas, according to Lucot.

Aquino Park is owned by Valley Homes Inc., a non-profit corporation organized three years ago for the purpose of securing housing for its members at reasonable prices. Purchase of 32 acres of orchard land on West Parr avenue three years ago by the group has grown into a million dollar development which is now close to 70 per cent complete. A division of the 32 acres resulted in 80 large size home lots, four streets and the large two-acre recreation center. The center was so designed that it is bordered by the rear of home lots, thus eliminating the hazard of children running from the park into the street. Three ten foot walks and one 50 foot right of way provide entrances to the park. Off street parking will be provided on the Parr avenue side of the park.

President Lucot explained that the park is owned by the eighty lot owner members of the corporation who each hold one share in the company. Lucot added that Valley Homes is the only successful non-profit housing project of this type in the United States. National publicity was given the project by the United Press and Look magazine at its beginning.

Steady But Light Vote Seen In Trustee Eection

Although poll returns won't be tabulated until after 7 p.m. this evening, officials at the elementary schools precincts indicated that the vote for school trustees in the Campbell area would be light.

In Campbell the only contest for school trustee positions is between incumbent E. F. Farnham and Robert W. McArdell for the Campbell Elementary school post. At the high school John D. Blaine and William N. Lloyd are running unopposed.

Residents in Campbell are joining with others all over Santa Clara county in the election of school trustees. Voters in this area are using Moorpark and San Tomas schools as new voting places for the first time. All elementary schools in the district are being used as polling places for both elementary and high school trustee elections.

In the Union district incumbent R. A. Mirassou is opposed by Virginia Frew Emery. At Cambrian incumbent Earl F. Gripenstraw is running unopposed.

Polls opened this morning at 7 a.m. Voters, up to press time, were coming in steady but light, polling officials said.

Jaycee Board Of Directors Meets Tonight To Set Date For Election

Board of Directors of the Campbell Jaycees will meet tonight at the home of member Joe Blume to decide on the date for a special election meeting of the Junior Chamber of Commerce. Either Monday or Tuesday night will be selected.

Anyone who is interested in joining the Jaycees but has not attended previous meetings is urged to attend this special meeting next week," said Kenneth Roberts, president. "We will accept charter members through May 31. After that time membership must go through the regular channels."

Those who wish to know the final date and time decided upon for the election meeting may call the Campbell Press offices, Campbell 3342 or 3343 after Friday night. The meeting will be held at Roberts' home on the San Jose-Los Gatos road.

Directors in their meeting tonight will make final plans for the "Charter Night," scheduled for June 20 at the Hawaiian Gardens. The board plans to make all final arrangements both with the state and the national Junior Chambers for the occasion.

H. Blowers Tells High School PTA Of New System

H. M. Blowers of the State Department of Education spoke to members of the Campbell High school PTA May 11. Blowers explained a new education system used to prepare students for outside employment before graduation.

George Kemp who will handle the visual education program for Campbell seniors, assisted in the program. Glen Campbell was chairman of the Fathers' Night event and potluck supper.

President Mrs. George Robertson spoke to PTA members on the recent State PTA convention held in Los Angeles in April. Paul W. Madsen, Los Gatos High school PTA president, also reported on the convention.

Except when school activities interfere, the high school PTA will hold its meeting on Wednesday nights so that more fathers can attend the regular meetings. For entertainment Dan Knowles presented a vocal solo accompanied by Jeanette Gomes. Jeanette also presented two piano solos.

Mrs. Laurance J. Hill, chairman of the PTA scholarship fund, reported that the total now is $350. Breaking the figures down Mrs. Hill revealed that donations, each totaling $50 were received from Mr. and Mrs. Ray Bishop, Mr. and Mrs. Ethan Lanphear and Mr. and Mrs. L. J. Hill. In addition the Campbell Kiwanis club donated $50 and the Campbell High school PTA $150.

Mrs. Robertson announced that this was to be the last meeting of the year. First meeting in the fall will take place sometime in October.

Want A Shmoo? They're On Sale In Campbell Now

Know who the shmoos are? Ever heard of Washable Jones? 'Course you have as they are part of Al Capp's national cartoon script 'Lil Abner. And now they can be found right in Campbell!

Yes, the new children's bond certificate, issued by the government as part of the May 16-June 30 Savings Bond Drive, was designed this year by Capp (himself) and have, in color, the lovable shmoos and comic script characters that have swept the imagination of the nation. These bond certificates are now available in the Campbell Post office, and, says Postmaster Ira Grim, they are perfect for the kids that love cartoons and have a birthday coming soon.

The Bond drive will go over the top in the Treasury Department's current national campaign to sell $1,040,000,000 in Series E bonds, was confidently predicted by Emery J. Delmas, Santa Clara county chairman of the government's volunteer committee.

"Santa Clara county's quota is $1,196,000," said Delmas. "Buying Savings Bonds is just plain, common, good sense, and I think our people are as astute as the rest of the 85 million Americans who now own these gilt-edged securities."

Delmas suggests residents purchase their bonds through the automatic Payroll Savings plan, the bond-a-month club, and thru individual purchases at the banks and post offices.

Girls Glee Club Entertains Kiwanis Members Tuesday

Member of the Girls Glee club, from the grammar school, under the direction of Mrs. Catherine Zangrilli, entertained Kiwanis members Tuesday at their meeting in the library clubroom.
room.

President Lowell Benson called attention to the current opportunity Bond drive and urged every one to support it in the coming months.

Mrs. Cristle Brown accompanied the glee club in five numbers. They sang "Curly Headed Babies," "Nursery Rhymes," "Trees," Morning," and "Old King Cole."

Chairman Ross Trowbridge spoke on the Tucson, Arizona, club where he spent about three months this past winter.

High school guest of the day was Audrey Benglund, who was introduced by Coach Ralph Noddin.

C. M. McCoy was introduced to the Kiwanis members as a new member of the club. Then outside guests were introduced including Chester Bartlett, San Jose; V. Hardwick, Los Gatoso; Hal Davis, Los Gatos.

Next week President Benson will be the guest speaker. He will relate his Merchant Marine experience. Chairman for the day is Hans Hansen.

COUNTY PLANNING COMMISSION VOTES UNANIMOUSLY ON ROSA STREET SITE AS FUTURE CIVIC CENTER

Despite strong opposition that reached a heated stage, the 66-acre First and Rosa Streets civic center site received the unanimous recommendation of the Santa Clara County Planning Commission.

The Board of Supervisors will receive the recommendations of the Commission to aid them in a final decision of a site. The board will convene Wednesday, May 25, at 10 a.m. for its public hearing on the Rosa street site.

Among the community chairmen who spearheaded a campaign of information regarding the government center plan throughout Santa Clara county was Norman A. Stoner of Campbell. He worked in this area cooperating with Otto E. Sargent, chairman of the county-wide committee working for the plan.

Commissioners listened to the arguments, with only occasional interruptions from Chairman Will Weston requesting speakers to limit the length of their talks. Arguments were concluded at 4:15 p.m. On motion of W. W. Curtner, seconded by Patrick H. Peabody, a resolution was adopted making the following resolutions to the Board of Supervisors:

"1. That the Board of Supervisors adopt the Rosa street site as the Master Plan of Governmental Building Site Location for Santa Clara county.

"2. That the Board of Supervisors immediately purchase from the City of San Jose that portion of the Rosa street site (22 acres) now owned by the said city. (Reported price asked by the city is $63,52.15, the amount it paid for acquisition of the property.)

"3. That the State of California be notified immediately by the Board of Supervisors that the Rosa street site is the official government center for Santa Clara county, and that the state be invited to select and purchase its portion of the site." (The California legislature appropriated $50,000 in 1947 for purchase of a State building site in San Jose.)

The hearing opened with presentation by Nester Barrett, the commission's technical director, of a detailed description of the three proposed governmental building sites under consideration — the Rosa street, St. James Park and City Hall sites.

Barret emphasized that present plans do not contemplate immediate or even early removal of all county offices to the new Civic Center. This would be accomplished over a long period of years with the county proceeding on a pay-as-you-go basis. In the meantime, many of the offices would continue to occupy quarters in the Courthouse and Hall of Records Buildings on N. First street.

Overall plans would call for development of the Rosa street site over as great a period as 40 years, he said.

Opposition to the site was touched off by Atty. Arthur L. Johnson, who said he represented the Santa Clara County Citizens Committee.

Johnson warned the commissioners against the county adopting a so-called "master plan," declaring that such action would be an irretrievable step that could not be revoked except by a vote of the people.

The speaker predicted that if the Rosa street plan is carried out it will cost 100 per cent more than if adequate buildings are erected on peroperty now owned by the county in downtown San Jose.

Johnson asserted the city will never consent to moving its City Hall out to First and Rosa streets.

Atty. John M. Burnett, also representing the Santa Clara County Citizens Committee which he described as comprised of repersentatives of the Bar Association, Merchants Association, Clearing House and other groups, likewise attacked plans for selecting the site.

The full membership of the commission was present for the hearing. Curtner's motion was adopted without adverse discussion or a dissenting vote. Members of the body, in addition to Chairman Weston, Curtner and Peabody, are Chester Root, Charles Kuhn and Carroll Wentz.

Joe Sunseri Sells Canning Company In Campbell

The Campbell Canning company and adjoining lot at the corner of Campbell and Dillon avenues was sold this week for an undisclosed sum to Campbell Building and Investment company, according to Hodges Realty, sellers of the property.

Joe Sunseri was the former owner of the canning company. What the new buyers will do with the property was not announced, the realty company said.

The first baseball rally in approximately 12 years was held recently at the Campbell Union High school to encourage students to attend more baseball and tennis matches.

Foundation Buys High Sierra Camp For Boy Scouts

The purchase of a High Sierra camp for the Boy Scouts of the Santa Clara County Council, Boy Scouts of America, has been announced by Charles E. Moore, President of the Boy Scout Memorial Foundation. The site consisting of 100 acres is located on the north fork of the Tuolomne River near Cold Springs on the Sonora-Pinecrest Highway. The camp is within a three-and-a-half hour drive from the Council Headquarters in San Jose.

Action by the Foundation Board also provided funds to construct the necessary buildings to make the site available for both Summer camping and winter snow sports. A well-equipped kitchen and mess hall, sanitary facilities, and a water system will be the first construction projects to be completed. Most of the work will be done by volunteer workers traveling to the campsite over the weekends.

The Council Camping and Activities Committee under the leadership of Chairman Robert C. Kirkwood, have completed plans to have the camp available for the coming Summer season. Troops will find ample camping areas on the site and leaders will be assisted by a camp staff in carrying out a well-rounded camping program. Full particulars regarding the camp dates and program will

Hammerstrom Talks On Landscape Planning At Country Woman's Club Meeting Monday In Library

"Gardens and Patios" was the topic of Don Hammerstrom, landscape architect from Palo Alto, at the Monday afternoon meeting of the Campbell Country Woman's club in the library building.

His talk stressed landscape planning rather than landscape planting. He talked on the planning of three types of gardens: for the ardent gardener, with small living space or patio; for those who like to both work and relax outdoors; a garden and large patio more specifically for entertaining.

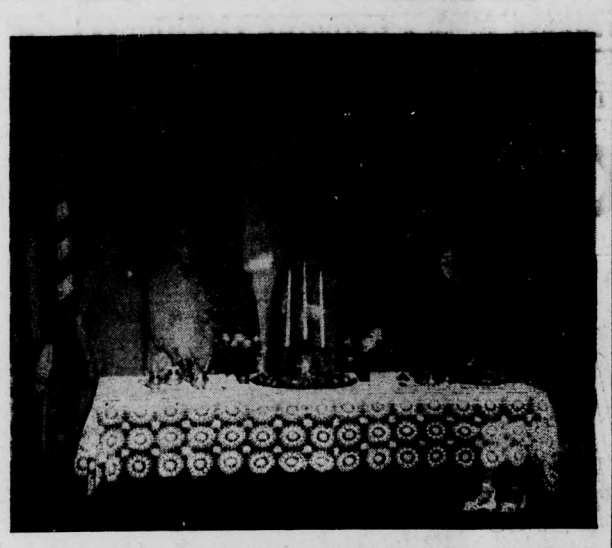
Mrs. Marye Parker, instructor at the Campbell Union High school presented her Girls Glee club on the program. They sang: "Teach Me, O Lord," "Songs of the Sleeping Child," "To Music" and "Rose Marie." Diana Ford, soprano soloist, sang "The Story of the Lilac Tree." Accompanying of the piano were Joyce Klassen and Joline Howard.

Mrs. F. A. Jacobson presided over the business meeting. During the meeting it was reported that $84.44 had been realized from the Silver Library tea.

Mrs. R. C. Page led members in the salute to the flag. Chairman for the afternoon was Mrs. Herman Busack. Her committee consisteod of Mesdames D. W. Clark, H. W. Hensen, J. C. McBlain, D. W. Ribble, Hattie Baugh and Laura Page.

The next and final meeting of the season will be held June 6 at Alum Rock Park. It will be a picnic style meeting.

Falsehood, like the dry rot, flourishes the more in proportion as air and light are excluded.



Women of the American Legion Auxiliary of Campbell gathered in the library clubroom last week to honor Gold Star Mothers of the war. A blue and gold color scheme was used throughout the decorations. Great Chiefs present were Mary Hamilton, great Wenonah; Minnie White, great third warrior; Marie Casarang, zone chief; Bess Madone, Birdie Munson, Beaturice Glazz, Ruby White, Inez Means, Wilma Cunningham, Jessie Zwinge, Ruth Arlett deputy great Pocahontas; and Jim White of Zennetta Council and team captain of Netops.

Thirteen councils which had representatives at the dinner included Chuma-Santa Barbara, Minnedosa - Huntington Park, NeMaHa - Sunnyvale; Minequa-San Jose; AnDeTaAh - San Jose; Konockti - Watsonville; Manzanita - San Francisco; Zenetta - Los Gatos; and Matoaka - San Francisco.

Six candidates were adopted into the Degree, five for Netops and one for AnDeTaAh. Netops members are Dorothy Jetton, Vestama Mancuso, June Klass, Dick Gutierraz and June Riddle.

At the meeting the Netops made plans to accept the confering of the building of the flag ceremony at Felton Big Trees June 12. They also voted to take a booth on the carnival in Campbell in July. Committee members appointed for this event were Gale Plymale, Ruth Livingston, Blanche Gilpatrick, Bertha Hindle, Vivian Johnson and Sharon Parker.

Members will trail to NeMaHa council in Sunnyvale May 23 for their official visit and will take a candidate for adoption.

Next meeting of the Netops will be held May 27 at 7:30 to enable members to go to San Jose Minequa Council for their representative visit of Minnie White Third Great Warrior.

At the close of the meeting, Mary Grey and her committee served refreshments.

At a recent meeting of the California Scholarship Fund, Mino Yamate, junior, was elected to the position of student manager of the new fountain in the cafeteria. Bill Cockey, sophomore, will act as assistant manager. Both boys will be paid.

Horizon Clubbers To Entertain

Dainty refreshments will be served at 1:30 p.m. Saturday, May 21, at the Congregational church by the Horizon clubbers, followed by an afternoon of entertainment around bazaar tables and a "Look" into the present and future in girls clothing styles.

Models for the fashion show are Jean Johnson, Jean Strandberg, Janis Henley, Sharon Clare, Mardel Sanders, Patty Powell, Judy Snyder, Pat Taylor, Beverly Clausen, Gail Mehren and Glenelle Walton. Mrs. Christie Brown will be the fashion commentator.

The sportswear, play togs and swim suits are up-to-date styles from Seaver's Fashion Lounge, Campbell and San Jose shops, while the casuals and formals are from the LaVerne shop.

A musical program will conclude the afternoon, highlighted by organ numbers furnished by Mrs. David Sanders.

Mrs. William Henley, leader of the group and advisor for the Fashion Parade promises a good time for all, and urges support for the Campfire girls.

St. Lucy's Club To Hold Card Party Friday

St. Lucy's Woman's Club will hold a card party Friday May 27 at 2:15 p.m. in the Parish Hall. Chairman for the affair, which is open to the public, is Mrs. Monica Parr assisted by Mrs. Henry Ramp, Mrs. Adah Levis, Mrs. Felice Robba, and Mrs. Manuel Fields.

Refreshments will be served following the party.

Emily Shaddox, Jack Vitale Exchange Vows In Impressive Wedding In Campbell's St. Lucy's Church

St. Lucy's church was the setting of an impressive formal wedding recently which united the former Miss Emily Shaddox and Jack Vitale. The Rev. Denis Kennelly read the marriage vows.

Accompanying his daughter dowon the aisle was Wayne Shaddox, amidst a white stock and snapdragon decor. The bride wore a traditional white slipper satin gown cut into a sweetheart neckline and fitted bodice. A beaded crown held the bride's fingertip veil in place and a single strand of pearls complemented her costume. The bridal bouquet was a shower arrangement of white sweet peas and orchids.

Acting as the bride's honor attendant was Loreta Serpa, wearing a gown of yellow taffeta with matching halo. Her French bouquet combined white sweet peas and yellow rose buds. Sister of the bride, Miss Jean Shaddox, and Miss Fanny Vitale, sister of the groom, acted as bridemaids. They wore gowns of identical design fashioned of orchid and nile green fabric. They wore matching coronets and short veils, and their French bouquets were composed of mixed sweet peas.

Eddie Serpa acted as best man to the groom. Ushers were W. J. Shaddox, brother of the bride, and Richard Zurlo.

The mothers of the bride and benedict attended the wedding and the reception at the Campbell Country Woman's club in navy blue ensembles with which they wore matching accessories and corsages of red roses.

For her going away outfit the bride chose a navy blue suit which she contrasted with white accessories and an orchid corsage. The couple, after receiving friends, departed for a honeymoon trip through Northern California, Oregon, Washington and Nevada. The Vitales are now residing in Campbell.

Mrs. Vitale and her husband attended Campbell schools, and the benedict served three years with the U.S. Army. The bride is the daughter of Mr. and Mrs. Wayne Shaddox, and the bridegroom's parents are Mr. and Mrs. Tony Vitale.

Church of Christ Hosts Groups In Sunday Sing

The Campbell church of Christ will be host to the surrounding area in a special singing festival Sunday. Church groups from San Jose, Gilroy, Santa Cruz, and Watsonville will participate.

Singing will begin at 2:30 p.m., immediately following a dinner whch will be served at the Library auditorium. All who enjoy religious music are invited, said the Rev. E. M. Dorden, pastor. There will be choruses and group singing.

The morning worship of the church starts with classes at 9:30. At 10:50 communion will be served! the sermon-lesson will be "treasuring up." All evening services are at 7:30 p.m.

the gas and light store on main street

Did you ever realize that P. G. and E. is a local merchant in your community?

It is just that! P. G. and E. sells gas and electricity through its "stores" in almost every Central and Northern California community. Instead of trucks or delivery boys it uses pipe and wire to deliver its "merchandise" to your home or place of business.

Like other local merchants, P. G. and E. owns or rents stores, employs local people and pays taxes. Actually, it's one of the largest local taxpayers in your community. Twenty-nine cents of every dollar of its revenue goes for taxes — federal, state or local.

P. G. and E. payroll dollars are spent and go to work *locally* for food, rent, clothing, amusements, and for other things that other local merchants have to sell.

P. G. and E. people are active in local first aid training, civic groups and welfare organizations. Like other merchants, P. G. and E. is a good citizen and a good neighbor.

for the record

Our postwar construction program has created 7,000 jobs, more payrolls.

It has put half a million new electrical horsepower to work for you.

Another 1½ million horsepower is on the way. That means still more jobs, still more payrolls.

Work never stops on our power-building program

NOTICE TO CONTRACTORS

(Advertisement)

1. NOTICE IS HEREBY GIVEN THAT THE Board of Trustees of the Campbell Union Elementary School District will receive bids for the furnishing of all labor, materials, transportation and service for the erection and construction of exterior shell only of a multi-use building at the site of the existing Campbell Elementary School, Campbell, Santa Clara County, California.

2. Each bid to be in accordance with the plans and specifications now on file with ERNEST J. KUMP AND MARK FALK, Nine Main Street, San Francisco, California, where same may be examined and copies obtained upon deposit of $25 per set, which deposit will be refunded upon the return of such copies in good condition within five days after the bids are opened.

3. Each bid shall be made on a form to be obtained at the office of ERNEST J. KUMP AND MARK FALK, Nine Main Street, San Francisco, California, and must be accompanied by a certified or cashier's check or a bid bond for ten per cent of the amount bid, made payable to the order of the Board of Trustees of the Campbell Union Elementary School District, shall be sealed and filed with the Clerk of the Board on or before the 25th day of May at 8.00 P.M., and will be opened in public at or about 8:00 P. M. of that day in the office of the Superintendent of the Campbell Union Elementary School District, 111 North Third Street, Campbell, Santa Clara County, California.

4. The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested to do so by the Board of Trustees of the Campbell Union Elementary School District.

5. The successful bidder will be required to furnish a labor and material bond in an amount equal to 50 per cent of the contract price and a faithful performance bond in an amount equal to 100 per cent of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Trustees of the Campbell Union Elementary School District. A list of such surety companies is on file in the office of ERNEST J. KUMP AND MARK FALK.

6. Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Board of Trustees of the Campbell Union Elementary School District has ascertained the general prevailing rate of per diem wages and rates for legal holidays and overtime work in the locality in which this work is to be performed for each craft or type of workman or mechanic needed to execute the contract, which will be awarded the successful bidder.

7. The prevailing rates so determined are as follows:

8. All other trades not hereinabove mentioned to receive wage prescribed for that particular craft or type of workman.

9. All labor to receive time and one-half for overtime, double time on holidays, unless otherwise specified. The hourly wage prescribed hereinabove is the per diem rate divided by the aforementioned number of hours constituting a working day.

10. Any person making a bid or offer to perform the work, shall, in his bid or offer, set forth the name and the location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each subcontractor.

11. If a contractor fails to specify a subcontractor for any portion of the work to be performed under the contract, he shall be deemed to have agreed to perform such portion himself, and he shall not be permitted to subcontract that portion of the work except under conditions hereinafter set forth.

12. No contractor whose bid is accepted shall, without the consent of the awarding authority, either;

(a) Substitute any person as subcontractor in place of the subcontractor designated in the original bid or

(b) Permit any subcontract to be assigned or transferred or allow it to be performed by anyone other than the original subcontractor, or

(c) Sublet or subcontract any portion of the work as to which his original bid did not designate a subcontractor.

13. Subletting or subcontracting of any portion of the work as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the awarding authority setting forth the facts constituting such emergency or necessity.

14. The Board of Trustees of the Campbell Union Elementary School District reserves the right to reject any and all bids and/or waive any irregularity in any bid received. Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

CALIFORNIA SPEAKS

Statements By Interesting Californians

Assemblyman Jonathan J. Hollibaugh, Huntington Park — "If future State budgets continue to grow at current rates, confiscatory taxes will eat up savings and reduce us to poverty."

Paul C. Smith, editor, S.F. Chronicle— "There is no averting the great destiny of the Pacific Coast."

James G. Garth, Long Beach realtor—"There's a decade of prosperity ahead for California real estate — if agents and brokers don't fall victim to 'depression thinking'."

Glenn E. Hoover, Oakland, Mills College prof. — "Racing may be the sport of kings, but gambling is the sport of fools."

E. A. Van Steenwyk, Blue Cross official in S.F. — "Government has failed its public health obligations on three counts — veterans' health care, care for the mentally ill and care of American Indians."

INSTRUCTIONS FOR SMOKING IN BED

The following instructions for guests who plan to smoke in bed have been posted in the rooms of a New Jersey hotel.

"1. Call the office and notify the management where you wish your remains sent, as it is a matter of record that a very high percentage of hotel fires are caused by this careless practice.

2. "Notify guests in adjoining rooms of your intention of endangering their lives, so that they may take necessary precautions to protect themselves.

3. "Go to the corridor and locate the nearest fire escape, so that if you are fortunate enough to escape your room, you may reach safety.

"4. Now sit down and think how foolish it is for you to take this risk—you may enjoy your smoke while thinking it over.

"Business may be good, but we do not have customers to burn, so please — help us to protect you."

PETE VOSSLER CAPTURES FIRST, WINS DELUXE COLUMBIA BICYCLE IN PRESS SUBSCRIPTION RACE

A brand new super deluxe Columbia bicycle was presented this week to Pete Vossler, Campbell Press junior salesman, who outsold every kid in Campbell in the two-month subscription campaign conducted by the Press.

Pete, son of Mr. and Mrs. O. B. Vossler, 139 Railway avenue, captured the lead early in the race and never relented until the bike was presented to him by campaign manager Joe Anello Monday.

Second prize winner was spunky little Letitia Reagle, only feminine entrant in the race. Letitia pushed Pete's lead many times but never reached his final sale. She received the second prize of two pair of genuine leather boxing gloves. (She chose the boxing gloves over the archery set.)

When questioned as to what she would do with the boxing gloves, usually thought of as a prize for boys, Letitia replied, "I'm going home and learn to box with my father!" Letitia is the daughter of Mr. and Mrs. Reagle, 137 Dillon.

"The third place winner has not been determined," said Anello. "We are calling in all of the books first as the race is quite close."

All books must be in the press offices by May 31, said Anello. The original date of May 16 has been extended to allow youngsters the opportunity to get their books in. After all of the books are in and the subscriptions tabulated, the third place winner will receive a complete archery set.

"We wish to thank all of the parents and friends who aided the youngsters in this subscription race," said the manager. "All of the children as well as the community copperated in the two-month subscription contest.

Need Is Immediate In Thinning Fruit Say Prune Groups

Imperative need for immediate thinning of Imperial and Sugar prunes to avoid burdening the industry with undersized dried fruit of these varieties was emphasized at a prune industry meeting in San Francisco Wednesday.

Grower and processor representatives, meeting under the auspices of the Prune Marketing Program, reported a fairly heavy set of fruit of these two varieties which, if permitted to mature without thinning would result in a preponderance of undersized fruit of very little commercial value. Commercial demand for dried Imperials and Sugars is for the larger sizes alone processors stated, and because of the nature of these varieties the smaller size fruit cannot be blended with other varieties which normally range somewhat smaller in size.

It was reported that thinning is under way in the Napa-Sonoma districts, but that in the Sacramento valley only a few producers have begun thinning. Producers from the Sacramento Valley districts reported that trees of these two varieties this year set their fruit in rather dense, scatered clusters of 40 to 60 or more fruits. Thinning out of these clusters is advised not only to secure the larger sized fruit, but also to lessen the possibility of damage by brown rot which occurs more frequently in tight clusters of fruit.

In the Yuba City area, growers have made use of wire loops attached to the ends of light poles and by whipping the underside of fruit bearing limbs feel they are thinning the fruit at a saving in labor.

The High Sierra site is the second camp made available to the Scouts of the Council by the Foundation Board. A weekend camp near Saratoga, known as the Stuart Camp, has been improved by funds from the Foundation and is being used by hundreds of Boy Scouts throughout the year for overnight and short-term camps. Funds collected a few years ago to assist in providing camping opportunities for Boy Scouts are being administered by the Foundation Board in providing this new camping area.

Members of the Foundation Board are: Charles E. Moore, President; Robert F. Benson, vice-president; Judge William F. James, Fred Oehler, John Crummey, Sanborn Young and Edmund Richmond.

CHECK LIST FOR FIRE PREVENTION

The following seven points have been issued by the fire department for householders to use in spring cleaning. Check yourself as you go.

1. Get rid of combustible debris —newspapers, discarded furniture, boxes, and similar material. Rubbish can catch fire from a stray spark and can ignite spontaneously.

2. Heating plants and chimneys are dirty after months of continuous use during the winter. They should be cleaned and repaired if necessary.

Members of the 4H club are having a food sale Saturday in Maderis market from 9:30 a.m. until 2 p.m. to raise money for the youth group.

Auxiliary Hopes For Poppy Over Each 'Heart'

"A memorial poppy over every remembering heart" will be the goal of the American Legion Auxiliary's Poppy Day workers when they go out on the streets of Campbell with their baskets of veteran-made poppies Thursday, May 26.

"The idea of wearing the poppy in tribute to the war dead sprang up as naturally as the little wild poppies growing in the fields of France and Belgium, where so many men of many nations gave their lives in the two world wars," said Mrs. Rex K. Fuller, Auxiliary poppy chairman.

"The poppy was one touch of nature's beauty which survived the devastation of battle fronts and the only flower which grew around the battle graves," she said. "First experssion of the idea was voiced by the poet, Col. John McRae, when he wrote: 'In Flanders fields the poppies grow, between the crosses row on row.' "

Purpose of Poppy Day, according to the Auxiliary, is to keep bright the memory of those who gave their lives in defense of America. "Wearing a poppy is an individual act of tribute to the war dead and shows that the wearer remembers and is grateful for their service," said Mrs. Fuller. "We are sure everyone in Campbell holds deep in his heart the memory of those who died for our country, and we want to see a poppy over every remembering heart on Poppy Day."

In exchange for the poppies, the Auxiliary workers will receive contributions for the organization's work in behalf of disabled veterans and needy children of veterans.

Los Gatos Plans Month of Festivities

The 49er Centennial Committee, chairmaned by Loren Fairbanks, has issued a general invitation to Saratogans to participate in the celebration scheduled in this community from June 4 to July 4.

Selection of a queen to reign over the month long festivities will be made May 21 at Los Gatos high school auditorium from among the following contestants: Gaylene Ness, Pat Epperson, Mariella Allinger, Paul Day, Jeanne Benefield, Rita Pierce, and Susan White. Choice of queen is being made according to rules and regulations governing "Miss America" contests staged annually at Atlantic City and the young lady seelcted will be afforded the opportunity to participate in the "Miss California" contest in July at Santa Cruz. All her expenses will be paid.

On June 4, "Miss Los Gatos" will assume royal duties when she is crowned at the Centennial Ball at Hotel Lyndon. The wiskerino contest also opens officially on this date.

June 4 and 5 are dates of the annual flower show sponsored by the Los Gatos Bowl Association. Exhibits from the Foothill Club of Saratoga, the Santa Clara County Iris Association, Redwood Estates Woman's Club, Flower Lovers Garden Club and other organizations from adjacent communities will participate. The centennial theme will be considered in judging exhibits.

Miss Ruth Wilson, chairman of the show, announces that Norvell Gillespie, garden editor of the San Francisco Chronicle is to be a judge. The others will be announced later.

MONTH OF CELEBRATION

Other events early in the month are a dance and musical recital sponsored by the Los Gatos School of Music and Dance on June 5 at the high school auditorium at 2 p.m.

A children's carnival, sponsored by the Los Gatos Parent Nursery School, is also slated for June 5 from 10 a.m. to 5 p.m. at the high school recreation field. A costume parade in "Costumes of the Golden West," will precede the games, pony, jeep and donkey cart rides promised to the children. Prizes will be awarded.

Later in the month, June 19, a state-wide California Folk Dance Festival will be staged on the high school lawn in the afternoon and again in the evening. The Sara-Cats will participate in this.

Other events are a coaster derby; June 25, a two-day Little Village Fiesta and street dancing at night, sponsored by the Business and Professional Women's Club; an All Church Service in the Bowl at 4:30 p.m., June 26; children's parade July 1; community-wide Centennial Parade and street dance July 2; gymhkana and parade, July 3, and a "safe and sane" climax to the festivities on July 4 at an all-day family picnic in Memorial park. Games and a band concert will provide entertainment as well as a water carnival sponsored by the Red Cross.

The July 2 Centennial Parade, according to Johnnie Johnson, chairman, will feature the state sponsored Centennial float which has been engaged on that date. Civic as well as business firms and individuals will enter floats. Prizes will be awarded.

Let's Browse In The Library

Books are coming in at a steady rate in the Campbell library, announced Mrs. Florine Peake, librarian. The library is open to the public daily from 1 p.m. until 5 p.m. daily and 7 p.m. to 9 p.m. Monday, Wednesday, and Friday nights.

Several books on the shelves merit investigation, according to reviews received from the county librarian, Mrs. Elizabeth Singletary. Here's what they have to say about:

I Saw Poland Betrayed by Arthur Bliss Lane.

An unusually frank report of what the author saw from 1944 when he took up his duties as ambassador to Poland until he returned after nearly two years of frustration. While not pleasant reading, Mr. Lane's well-informed memoirs contribute much to a better understanding of the post-war situations.

Green Mountain Farm by Elliott Merrick.

Here is another book on experiences in country living. The author, his wife and small son went to live on a run-down Vermont farm. Their experiences were so much to their liking that they bought another farm, put the house into livable condition and took to farming. Like Thoreau, the author knows how to live and what to live for — his book is a most successful attempt to communicate that knowledge.

The God-Seeker by Sinclair Lewis.

Living the contemporary scene of his recent novels, Mr. Lewis introduces, with more sympathy and restraint than his usual style, the God-seeker — Aaron Gadd. The Minnesota of 100 years ago serves as the background for this story of the young New England carpenter who volunteered as a missionary to the Sioux Indians, Alienated by the bigotry of the little community in which he worked, he left to become a builder in St. Paul. The story ends as Aaron works to establish a union among his men — a union which will allow a Negro to become a member.

There are 10 soda fountains in the United States to every one in Europe.

Over 1500 Dancing Children Turn Out For Annual May Day Festival At Spartan Stadium Despite Clouds

Despite inclement weather, approximately 1500 children from 40 schools in Santa Clara County turned out for the annual May Festival at Spartan Stadium. The Campbell Union Elementary Grammar and the Cambrian Grammar schools participated from this area.

Leading the large attendance in various voice selections was C. P. Klassen Campbell High school instructor. Mrs. Grace Fairbanks, Campbell, was one of the members on the Planning Committee for the affair.

Dancers filled the playing field of the stadium. Children stepped lively into such dances as the Virginia Reel, Glow Worm and Maypole Dance. George T. Cass, supervisor of physical education for the past 27 years, who will retire at the close of the present school year, was honored at the festival. O. W. Hubbard, county superintendent, paid tribute in his welcoming address to Cass and declared the festival, originally dedicated to the children, to be dedicated to Cass also.

Forty Maypoles decorated the stadium and provided the props for the mass participation in the Maypole Dance. The entire display was unrehearsed and dancers wore no special costumes.

Among the most distant schools represented were Air Point, near Caalveras Reservoir; Harney, in San Antonio Valley; and Mt. Hamilton.

D. J. Sedgwick, Cupertino School superintendent, gave the introductory speech. Clydeen Brown, Whisman school, led the pledge to the flag, Klassen led the singing, Glenn Hartanft, professor of physical education at State college spoke briefly.

Annual All-Star Prep Game Set For June 1

Arrangements were completed this morning for the fourth annual North-South Prep All-Star baseball game at the San Jose Municipal Stadium Wednesday night, June 1.

Players from San Mateo, Burlingame, Sequoia, Half Moon Bay, Serra Palo Alto, Mountain View, Washington of Centerville, South San Francisco and Jefferson of Daly City will make up the North roster.

The South team will be made up of boys from Campbell San Jose, Lincoln, Fremont of Sunnyvale, San Jose Tech, Bellarmine, Los Gatos Live Oak of Morgan Hill, Gilroy and Santa Clara.

A panel of outstanding major league scouts and college coaches will choose the top player on the night of June 1. The outstanding boy will win a free vacation trip anywhere in California. All expenses of the vacation will be paid.

Coach Elmer Johnson of Santa Clara High school will pilot the South team in the annual prep classic.

Each all-star team will be made up of 15 players. There will be two catchers, four pitchers, five infielders and four outfielders.

Three Campbell Troops Eligible For Scout Camp

Troops, 9, 34 and 31, Campbell, are eligible to participate in the Scout Camping demonstration May 21-22 in St. James Park in San Jose, having rated the Blue Ribbon.

More than 150 Boy Scouts from the top-rating Patrols of the entire Santa Clara County Council will demonstrate scout camping techniques this week-end. These scouts all participated in the recent District Camporees and were awarded the Blue Streamer for Patrols qualifying for the "A" rating.

Patrols will set up camp in the park Saturday afternoon and spend the rest of the day firing up a public exhibition of Scoutcraft and camp skills. A big campfire program will occupy most of the evening. Sunday morning the Scouts will attend St. Joseph's and First Presbyterian churches.

Some of the skills to be demonstrated include wilderness camping, cookery, the new aluminum foil cookery, baking in reflector ovens, campcraft, Indian lore, Pioneering and many others.

The show is open to the public and all interested persons are invited to visit the area before the Scouts break camp at 2 p.m. Sunday.

Junior Chambers Start Search For Most TV Girl

A search for the most telegenic girl in the area is under way by junior chambers of commerce in the twelve Bay Area counties as part of the second annual Bay Area Industrial Exposition, to be held June 4 through 12 in the Oakland Municipal Auditorium.

The contest — first of its kind ever held in Northern California —will award some fortunate girl the title "Miss Bay Area Television." The winner will not only receive many outstanding prizes but will be given an excellent opportunity to star on local television shows.

Between now and June 3 — the closing day of the contest — girls from every community in the Bay Area will send their pictures with name and address on the back, to either Station KPIX-TV or KGO-TV, which will feature announcements requesting viewers for photographs starting Tuesday, May 17.

On June 3rd, judges will choose 15 to 20 girls to participate in the final contest to be held at the Bay Area Industrial Exposition the night of Wednesday, June 8th. "Miss Bay Area Television" will be chosen by the audience from the Exposition stage following the entertainment program.

Prizes for the winner include an Admiral television console set, a complete new wardrobe, make-up kit and a host of other worthwhile gifts. Runnerups will also receive prizes totaling in the thousands of dollars.

The BAIE, a non-profit organization, is presented annually by the San Francisco and Oakland Chambers of Commerce in cooperation with the chambers of commerce of the ten other bay area counties.

More than two hundred exhibits will be on display in the Oakland Auditorium and Exposition Building, representing every type of product either manufactured or assembled in the Bay Area.

FROM CAMPBELL HIGH

Jeanette Gomes, Franklin Hale, Ruth Johnson, Dan Knowles and Don Winston, seniors, have been chosen to speak at graduation exercises Friday, June 17. Students were selected on the basis of their speaking ability, activity in school affairs, and scholarship records.

Hale, senior class president, will give the address of welcome. Dean Chamberlin, senior class advisor, will assist students in composing and rehearsing speeches.

* * *

Election for the student body offices were held last night. Although the returns are not yet known, the finalists were Druce Abernathy and Jesse Holt, president; and Bob Beth, Don Chapman, Dudley Herschbach, Don Reid, Ron Roseke, Gayle Schrader, Mino Yamate and Pete Young. Four students will be chosen for the council.

Two Well Known Artists To Appear Here May 25

Two well known artists, Eugene Gash and Alma Nye Bonner, will be featured in the Campbell Congregational church concert Wednesday, May 25, at 8:15 p.m.

Gash, concert pianist and resident of San Francisco, is outstanding in music circles. He is to make a personnel appearance in Carnegie Hall November 6 and is coaching with Pierre Monteaux, conductor of the San Francisco Symphony, this summer at Hancock, Maine in preparation for piano concerto work next summer. Pianist Gash is considered one of the foremost young players in the country today.

Alma Nye Bonner, dramatic soprano, now residing in Berkeley, has song oratorio and has given numerous recitals on the East coast. She also is coaching with Monteaux and is preparing Beethoven's Ninth Choral Symphony for San Francisco next year.

Evening Guild To Hold Bingo Game June 1

Bingo will be featured at St. Lucy's Parish Hall, Wednesday, June 1, at 8 p.m. Sponsors of the affair will be members of St. Lucy's Evening Guild. Mr. and Mrs. L. Dardinelli will be in charge and the affair will be open to the public.

At the last meeting of the Guild the women voted to have a Communion breakfast May 15. They served parents and children in the church.

Next meeting of the Guild will be held May 26 in the Parish Hall. All members will work on cancer pads. Hostesses for the meeting will be Mr. and Mrs. M. Hermle and Mrs. Joe Montemagno.

"Moonlight-Roses" To Be Theme Of June 3 Junior Prom

Members of the junior class of Campbell high will sponsor the annual Junior Prom Friday, June 3, at the Scottish Rite Hall in San Jose from 9-12 p.m. Theme will follow "Moonlight and Roses."

Roses, lattice work, and a yellow moon will all serve as background for the decorative theme. Music will be furnished by Clyde Appleby's orchestra.

Mrs. Adele Charlson will supervise the refreshments assisted by chairman Audrey Sand. Sophomore girls will serve.

Winnie Hill and Dot Hohman are in charge of the decorations with the assistance of George Egling, faculty member. Bid chairman is Gayle Schrader and Marvin Scarper is in charge of the music. Harold Layman, junior class president, is general chairman of the event.

Falsehoods not only disagree with truths, but usually quarrel among themselves.

News Of Cambrian School

A new Rex-o-graph duplicating machine has been purchased for office use.

The new school buildings have been framed and are getting along quite swiftly.

* * *

Our principal, Mr. D. M. Bagby, is growing a goatee for the Los Gatos Centennial.

* * *

Mrs. Beatrice Mead's first and second grade room is starting a good citizenship chart. They are going to put stamps on the chart. When a boy or girl has two or more stamps they will get a nature stamp.

* * *

Mrs. J. Houses's sixth grade clas has just had a wonderful picnic at Alum Rock park. Ten of the children's parents were present. All of the children went swimming and hiking. Everyone had fun.

Mrs. House's class is now starting on a new class project on aviation. Mrs. House hopes that they are just as successful with this project as they were with their previous ones.

The anual Maypole dance was held at Spartan Stadium Friday night, May 13. There were two Maypoles from Cambrian. Free popsicles were given away after the dances. We were very sorry to hear that Mr. George Cass, the dance instructor of the county, is retiring.

Mrs. Lucille Edgmon's third grade won the award at the last Home and School club meeting for having the most mothers present. The class took a vote and decided to buy a bingo game with the prize money.

Steven Craig, seventh grade teacher at Cambrian Grammar school, will supervise 35 of his students who will take a week-end Memorial Day trip to Yosemite. Both parents and teachers will accompany the children.

Bob Barkhimer New Race Manager At SJ Speedway

The remodeled San Jose Speedway takes an additional "new" veneer this week as Bob Barkhimer assumes the duties of business manager for the track.

Bob is no Johnny-come-lately to the auto racing game. He is certainly not a speculating businessman arriving from an unrelated profession who's seen the opportunity to make some cash. Bob was long a shining star in California's Midget racing domain. Barky was top driver of the Bay Cities Racing Association in 1945. Like Gene Tuney and Joe Louis, Bob quit while he was on top and took the reins as business manager of the B.C.R.A. after the '45 season.

Time trials on both Friday and Sunday begin at 7:00; first races start at 8:15.

A boy preacher in Kansas has started out in a lifelong crusade against sin. He has certainly chosen a popular adversary.

Three Local Men Go To Washington To Urge Prune Aid

Three representatives of the California prune industry left California Thursday, May 19, for Washington, D.C., to urge the U. S. Department of Agriculture and Commodity Credit Corporation to expedite the government's prune purchase price support program. They are Robert A. MacArthur, Cupertino, Chairman of the Prune Program Committee; Lewis W. Armstrong, Los Gatos, Vice Chairman of the Prune Program Committee; and T. O. Kluge, San Jose, member of the Dried Prune Advisory Board.

The three were selected by the California Prune Marketing Program to urge the federal agencies to speed the issuance of shipping instructions to handlers for 29,886 tons of prunes thus far unshipped, though covered by the government's acceptance of bids. Otherwise, they are to seek any possible arrangements for relieving the industry of the burden of holding this fruit while facing a new crop, with harvest only three months away.

Many handlers are reportedly in a bad situation with a considerable tonnage of fruit in storage which is under sale commitmen to the government but for which no payment has been made. Fruit and warehouse space are both tied up and adding to processor expenses. Fears are held by industry leaders that failure to move the purchased tonnage well before the new crop may have a depressing effect upon new crop values. Thus far, the government has accepted handler bids for 63,795 tons of prunes for a total of $9,871,844.44. Processors have shipped only 33,909 tons and are awaiting shipping instructions for the remainder.

Governor Accepts As Board Advisor Of Summer School

Governor Earl Warren has accepted an invitation to become an honorary member of the board of advisers of the Summer School of Art established last year at Pescadero by Dr. Marques E. Reitzel, head of the art department at San Jose State College. In accepting the invitation to become associated with the school, the Governor expressed his interest in the project and his desire to visit the school in the near future.

The advisory board of the school, which will begin its second season June 27, is composed of educators, businessmen, and other patrons of the arts. Members of the board are:

Dr. James C. DeVoss, Dean of Professional Education at San Jose State College.

James Humphrey, owner of the Cascade Ranch at Pescadero.

Leo G. Cheim, San Jose businessman.

Dr. Merlin T. R. Maynard of Los Gatos, a physician whose hobby is painting.

Mrs. Florence G. Rogers of Los Angeles.

Dr. J. A. Saffir of Forest Hills, Long Island, a dentist and scientist.

David MacKaye, head of the San Jose Adult Center.

Rene Weaver, San Francisco advertising man and artist.

Mrs. P. C. Powell of Woodland, California.

Dr. and Mrs. Reitzel of San Jose.

Two Campbellites To Appear In June College Show

When the drama department of San Jose State college presents "Rose of the Rancho" June 2-4, as one of the major events of the college celebration of the California Centennial, the cast will include two students from Campbell.

Dorothy Jan Williams, daughter of Mr. and Mrs. Arthur L. Williams of 970 San Tomas-Aquino road will appear as one of the guests at the ranch in "Rose of the Rancho." She is a graduate of Ames, Iowa, high school where she was active in dramatics.

Don Lev of 640 S. Winchester road is the son of Mr. and Mrs. F. M. Lev of Los Angeles. He will appear as one of the singers in the show.

The centennial celebration will include an address at 10:30 a.m., June 2, by Dr. Robert Glass Cleland, California historian; a concert by the college symhony orchestra and a cappella choir June 2; the annual student carnival, Spardi Gras, on June 3; a folk dance festival June 4; and the annual alumni Homecoming Day June 4.

State to Stage 4-Day Centennial Fete June 1-4

A four-day celebration of the California Centennial will be held June 1 to 4 by San Jose State College, the state's oldest publicly-supported college. Many of the events planned for the celebration will be open to the public and during the week of May 30 visitors will be welcome on the college campus to view exhibits of art, books and scientific displays.

Major events of the centennial celebration will include:

Boosters' Club barbecue on the campus and intra-squad football game at the Spartan Stadium on the evening of June 1.

Address by Dr. Robert Glass Cleland, noted California historian, at 10:30 a.m. on June 2 in the Morris Dailey Auditorium.

Gala free concert by the college Symphony Orchestra and a capella Choir in the Civic Auditorium on the evening of June 2.

Three productions of "Rose of the Rancho" by David Belasco in the inner quad on the nights of June 2, 3, and 4.

Spardi Gras, the annual student carnival, scheduled for Friday, June 3.

A Folk Dance Festival, beginning on the afternoon of June 4 on the campus and concluding that evening in the Civic Auditorium.

The annual alumni Homecoming Day to be held Saturday, June 4, with a luncheon at 12:30 p.m.

College Produces Outdoor Play On Campus June 2-4

"Roses of the Rancho" by David Belasco and Richard Tully will be presented as part of the California Centennial celebration at San Jose State College on June 2, 3, 4.

Director James H. Clancy will combine drama, music, and dancing in an extravagant outdoor production of this picturesque American play which will be presented in the Inner Quadrangle of the College campus.

The Spanish architecture of the college buildings will be utilized as a background for the play.

This beautiful romance, with its scene laid amid the sun and flowers of the old California Missions, was a sensation when first produced in New York. It became overnight one of America's greatest successes and established Frances Starr as one of America's leading actresses. Full of color, action, and suspense, the play blends all those elements which go to make up a real popular success.

Coquettish Juanita, portrayed by Anne Hofling, with her fan and rose behind her ear is a graceful, charming figure. Young Kearney, portrayed by William Furnell, anxious that his government shall do justice, is a fine American type. While Don Luis de la Torre, portrayed by Jackson Young, the polite caballero who puts off everything till tomorrow, adds colors to the romance.

"The Rose of the Rancho" will give you a pleasant evening away from the strain and worry of present times amid the rose gardens of sunny California.

Old Timer Yarn Makes Pages Of Hardwood World

Campbell made the California section of the **Hardware World** magazine in its April issue. The story of Louis "Dad" Lee and Bill "Happy" Truax, two Campbell frontiersmen, that appeared in the Campbell Press during Old Settlers' week, was printed by the magazine.

The magazine, published in Long Prairie, Minnesota, told of the float portraying "living memories" of the Old West entered by the Campbell Hardware store in the local February celebration.

"Dad," 91, and "Happy," 84, were on the float to represent 175 years of the Wild and Wooly West. Both were peace officers during the old days with Lee serving as one of Bill Cody's scouts and Truax as a plainsman.

Contributions are still being accepted in the final week of the Campbell cancer drive. All donations should be sent to Accardi's Appliance store, East Campbell avenue.

Kaber Kwick Klips To The Rescue! Solves Strapless Corsage Problem

Kaber Kwick Klips are manufactured right in Campbell! And that's not double talk, either. What are they? Why the're plastic clips and are the newest way to fasten corsages to the hair, the shoulder, the purse, the wrist or prayer book.

The patents are held by Rex A. Kaber of Campbell. Kaber desinged the "Klips" for florists to use in weddings and formal occasions, thus solving the problem of how to fasten a corsage to a strapless gown, in the hair, or on the wrist.

The little Kaber Klips are fashioned in light weight plastic. The Kaber bare shoulder klip, for example, has many advantages. It may be used as a handle to carry a corsage while wearing a formal wrap. Then after the wrap is removed the klip can easily be changed from the wrap to the shoulder, thus solving the where-to-put a corsage while wearing a strapless gown.

Yes, sir, the problem of fastening difficult corsages is at last made easy. Kaber Kwick Klips to the rescue!
